A Special Thank You

Design, landscape, irrigation, and full-service maintenance—Impact Landscaping & Irrigation can do it all. We are so grateful for our friends at Impact in Jupiter, Florida for donating hours of service to keep Hannah's Home looking spotless. A special thank you to their team for offering to provide landscaping and an irrigation system for our child care center and Chapel.

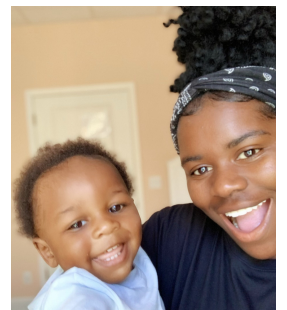

A Letter from a Resident

Dear Hannah's Home,

If it wasn't for this amazing place, I don't know where my son and I would be. You saved my son's life. During my time at Hannah's Home, I have been able to accomplish a lot. I accepted Jesus as my Lord and Savior and dedicated my life to Him. I have been able to work through some traumatic events in my life that had my heart heavy. I completed two semesters at Palm Beach State University on the nursing track and got my driver's license. I am now working for the Palm Beach County Board of Education at a local elementary school. I thank God every day for Hannah's Home. They help us be better mothers, women, and children of God. Thank you for all you do to support this amazing home.

Sincerely,
Jessica
