Lighting the way...

New Life Chapel at Hannah's Home Stained Glass Windows

The New Life Chapel will provide a gathering place for prayer, meetings, and special events in a God centered landmark in the Village of Tequesta, Florida.

Six stained glass windows, created by a local artist, will depict the Biblical story from creation to salvation, and shine the light of God's love out into the community.

"You are the light of the world. A town built on a hill cannot be hidden. Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven."

Matthew 5:14-16

We are growing!

Four duplex cottages, adjacent to the New Life Chapel, have been approved by the Village of Tequesta and will provide a transitional home for each mom and baby. After they complete the two year program in Hannah's Home, moms and babies will progress to a six month program where they live on their own in a duplex and become better prepared for independent living.
