

## *Statistics*

- Since opening, 72 babies have been born through our program
- We have turned away approximately 2000 women due to a lack of capacity

## *Our Solution*

Our program provides residents with two years of housing, clothing, child care, medical and dental care, counseling, case management, educational opportunities, and life skills development – all at no cost to them. The program was designed to ensure that each resident can someday attain affordable, long-term housing and a meaningful career.

## *Our Mission*

Hannah's Home of South Florida provides a safe and loving Christian environment for single, pregnant young women. Through counseling, life skills, and continuing education, we offer hope and transform lives.
